How to pay for negative lunch account balances:

Each student has their own lunch account. Lunch accounts should be prepaid. They are much like a checking or debit account. If your student's LCS lunch account currently has a negative balance we please ask that you pay this balance as soon as possible by either form of payment:

1. Online at <https://www.payschoolscentral.com/>
2. to your child's school with a check payable to LCS or cash

Procedures for students with negative lunch account balances:

Students will be allowed to charge a complete school meal (entree, fruit, vegetable, and milk) on their lunch account. Parents or guardians will be notified by email or letter that their student has a negative balance.

Students who have negative balance accounts will not be permitted to purchase ala carte snack and beverage items.

If you have any questions regarding your student's lunch account or would like to control what they are purchasing, please contact foodservice@lapeerschools.org
